Gree WHIO Hot Water Heat Pump

To whom it may concern,

The Gree WHIO hot water heat pump's meet all applicable standards as required under New Zealand and Australian law. A Supplier Declaration of Conformity is available from our website, www.greeac.co.nz. This declaration covers electrical safety. Listed below are the standards that Gree have had to conform too, to be able to sell into this market. All testing is done by third party testing organisations, and all tests have been submitted and approved through the relevant Australian authorities, which then includes New Zealand.

Gree WHIO R290 HWHP
